

WEDGWOOD PTA

Members are essential to the successful PTA program in our school.

The Wedgwood Parent-Teacher Association, or PTA, is a vital part of the Wedgwood community. As a member of the PTA, you add your voice to hundreds of other Wedgwood PTA parents who are committed to taking an active role in their child's school experience. Strengthening the link between our children's advocates (parents & teachers), builds school community and shows your children the value you place on their education.

Some of the ways the Wedgwood PTA contributes to the enrichment of your child's education include:

- Essential School, Student and Staff Support: Tutors, Intervention Specialist, Playground Staff
- Educational Tools: Computers, Library Books and Classroom Supplies
- Community Building Events: Back-to-School BBQ, Spring Carnival and School Dances
- Volunteer Programs: Field Trips and Art Docent Program
- Educational & Cultural Events: Lunar New Year and Science Night
- School Communication: Weekly Newsletter, Website and E-mail updates

Anyone can join the PTA. The time commitment is up to you. We have 3-4 General Membership meetings per year where PTA members can vote on issues important to our school community. Meeting attendance is voluntary and is not required; however we encourage you to come as often as you can. We are always looking for new insights, ideas and people to make our school and events a success. More membership benefits are listed on the back of this form. There are many ways to get involved, and we hope you'll choose to join!
